

Since 1955, the Pacific Northwest Christmas Tree Association has played a leading role in providing guidance to Christmas tree growers in the Northwest.

The purpose of the organization is to:

- Bring together those involved in the industry for their mutual and public benefit;
- Sponsor educational and public relations efforts to help develop public understanding of the industry;
- Promote, assist and engage in research of value to all members;
- Promote the production of high quality, marketable trees;
- Develop and expand the market for trees grown in the Pacific Northwest;
- Improve marketing procedures and provide support on both the wholesale and retail levels;
- Practice environmental stewardship; and
- Provide a unified force for the Pacific Northwest Christmas Tree industry.

Members benefit from use of the PNWCTA website. The site includes wholesale farm listings, choose & cut listings, directory search, member resources, information about the Pacific Northwest industry, Lookout and Buy-Sell magazine information and a "members only" section.

Take a look at www.pnwcta.org.

Christmas Tree
Association**

The organization for progressive individuals and firms active in the Christmas tree industry

PNWCTA

Membership Advantages

- Members have the opportunity to join with other Christmas tree growers, buyers, retailers, educators and suppliers to exchange ideas, information and methods.
- Members have the advantage of market exposure at the September Tree Fair & Trade Show, where buyers and sellers traditionally meet. The show features industry equipment and supplies on display, as well as retail lot demonstrations, research and marketing information and much more! The PNWCTA Tree Fair & Trade Show is the largest show of its kind in the industry.
- Members may also attend the Short Course seminar and the Summer Meeting & Farm Tour. At each event, experts discuss topics such as new growing and harvesting methods, pesticide and safety information, business practices and tax implications for those involved in the industry.
- For just \$50, members have the opportunity to be listed in the annual *Buy-Sell Directory* which places the seller's name, contact information and trees available before prospective buyers across the U.S., Canada and Mexico. The directory is published in May and is offered, free of charge, to interested buyers nationwide.
- Members will have access to a *Membership Directory* which is included in the *Fall Lookout* publication, in addition to it being accessible online. The directory is a helpful resource for member contact information as well as types of trees or services they provide.
- Members receive discounted group rates on liability insurance for retail lots and/or choose & cut operations.
- Members receive a 15 percent discount on advertising in the *Christmas Tree Lookout* and the *Buy-Sell Directory*.
- Choose & cut members have the opportunity to be listed on the PNWCTA website, including a locator map, farm contact information, and trees and services provided. You may enhance your website listing, customizing it with photos and additional information regarding your farm and/or a link to your website.
- All members have the opportunity to purchase a mailing list of potential buyers. The list is kept current and contains several thousand names of interested buyers (can be sorted by state and/or zip code).
- The Research Committee is responsible for selecting research subjects and directing ensuing studies. It has guided research on subjects of major interest to growers, such as tree diseases, Douglas-fir and Noble fir provenance tests, clone development, stress in tree growth and quality, soil management and seedling research.
- Members also receive the benefit of marketing backup, such as retail ads, brochures and public relations in national consumer magazines.
- Through the Tree Industry Partnership (TIP) program, PNWCTA contributes \$25 per member to the National Christmas Tree Association. These funds support on-going national industry programs.

(Complete dues schedule on back)

2021 MEMBERSHIP APPLICATION

Please fill out both sides

STEP 2 • DUES SCHEDULE Deadline for payment of dues is March 1. Dues are per calendar year (January 1 through December 31)

Associate	Educators, extension agents, foresters, employees of member firms		\$186	<input type="checkbox"/>
Retailer	Those actively involved in retailing trees to the public, i.e., tree lots, florists, store outlets. Retailers who are also suppliers, brokers, nurseries or growers do not fit this category (see note below)			
			\$285	<input type="checkbox"/>
Industrial	Brokers, commercial, nursery, supplier, equipment, services, greens industry		\$434	<input type="checkbox"/>
Grower	Pre-harvest (up to 5 years)	101-200 acres	1,001-2,500 acres	<input type="checkbox"/>
	\$285 <input type="checkbox"/>	\$982 <input type="checkbox"/>	\$3,056	<input type="checkbox"/>
	★ Choose & Cut Only	201-300 acres	over 2,500 acres	<input type="checkbox"/>
	\$285 <input type="checkbox"/>	\$1,293 <input type="checkbox"/>	\$3,810	<input type="checkbox"/>
	1-40 acres	301-500 acres		
	\$357 <input type="checkbox"/>	\$1,845 <input type="checkbox"/>		
	41-100 acres	501-1,000 acres		
	\$664 <input type="checkbox"/>	\$2,449 <input type="checkbox"/>		
			\$ _____	

NOTE: When a member (or prospective member) qualifies in more than one dues category, the applicant must apply for and pay the dues in the highest category. Examples: (1) if a broker is also a pre-harvest grower, the dues would be that of a broker; (2) if a nursery owner also has 200 acres of Christmas trees, the dues would be that of a grower; (3) if a retailer is also a broker, supplier or harvesting grower or ★ if a Choose & Cut operator also wholesales, the dues would be that of the highest category. One *Christmas Tree Lookout* magazine subscription is provided for each membership. Additional subscriptions may be purchased by any member for \$25 per year.
